

# KYMETA™

## Cookie Policy

This Cookie Policy explains how Kymeta Corporation (“Kymeta”) uses cookies to collect information from your web browser to deliver relevant advertising on Kymeta’s website, personalize content, and perform site analytics. This Policy further explains what cookies are and your rights to control Kymeta’s use of them.

### **What are cookies?**

Cookies are small text files stored by the browser on your computer or mobile device. They enable websites to save information such as user preferences. You can think of cookies as providing a ‘memory’ for a website, so that the site recognizes you and responds appropriately when you re-visit it.

### **How does Kymeta use cookies?**

Cookies are used for various aspects of website functionality. See below for the types of cookies Kymeta uses and the functionality they support.

### **Cookie types Kymeta uses**

#### **Analytics Cookies**

These cookies collect information to help Kymeta understand how its website is being used, how effective marketing campaigns are, or how Kymeta can customize its website for you.

#### **Advertising Cookies**

Third parties may serve cookies on your computer or mobile device to serve advertising through Kymeta’s website. Kymeta’s advertising partners may use information about your visits to this and other websites to provide relevant advertisements about goods and services that you may be interested in. They may also use technology that is used to measure the effectiveness of advertisements. You can control whether these cookies are used or not; however, blocking them may prevent Kymeta from offering you some services or targeted advertising.

Advertising cookies make advertising more relevant to you. They perform functions such as preventing the same ad from recurring on an ongoing basis, ensuring that ads are properly displayed for advertisers, and in some cases, selecting advertisements that are based on your interests.

#### **Social Networking Cookies**

These cookies enable you to share pages and content that you find interesting on Kymeta’s website through third party social networking and other websites. These cookies may also be used for advertising purposes, too.

### **How can I opt out of having cookies placed on my device(s)?**

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. Note that if you use your browser settings to block all cookies, you may not be able to access all or parts of Kymeta’s site.

For further information about cookies and how to disable them, visit the following website:  
<https://ico.org.uk/for-the-public/online/cookies/>.

### **How often will Kymeta update this Cookie Policy?**

Kymeta may update this policy from time-to-time. Re-visit this Cookie Policy regularly to remain informed about Kymeta's use of cookies and related technologies.

### **Where can I get further information?**

In the event you have any questions regarding Kymeta's use of cookies or other technologies, email us at [privacy@kymetacorp.com](mailto:privacy@kymetacorp.com).

### **QUESTIONS OR REPORT A PROBLEM**

For questions about our Privacy Policy, to make choices about receiving promotional communications, and to update your personal information, you can contact us by email, telephone or postal mail:
